MEET THE TRIBE SUNDAY AT 2:30

Game Will Be Called Early in Order to Allow Both Clubs to Catch Train--Chicks Lose to Lookouts Friday, 7 to 6. BY BOB PIGUE.

The last opportunity local fans will have of seeing the league-leading Chicks at Rusawood until May 17 will be afforded Sunday afternoon at 2:30 o'clock, when the Tribe winds up their present home stay with a game with the Nashville Volunteers. The contest is to be called at 2:30 o'clock to permit both teams to catch southbound trains. teams to catch southbound trains, Memphis going to Atlanta and Nashville heading for Mobile.

TWIN BATTERY.

One of the features of the Sunday game will be the twin buttery used by Nashville. The Jonnard brothers, one a pitcher and the other a catcher, will work for Nashville. Chief MrcCoskey is uncertain as to who he will use, but uncess Vance goes in Saturday, the big red-head will be the Sunday se-section.

The Friday game at Russwood was a fierce exhibition of baschall, with the Chattanooguns heating out the Tibe i runs to 6. Rube Marshall traveled all the way for the Lookouts, while this McCloskey rushed four of his hillmer

McCloskey rushed four of his hillnen into the breach, with only Canavan being effective.

McCloskey gave Hy Powikes, the Dyersburg semipro, a chance, and ity did well, taking into consideration the frazzled support he was accorded by his mates while on the bill. Hy went out in the second after three runs had been secred.

Pat Albris succeeded Fowlkes, but Fat Pat Albris succeeded Fowlkes, but Tat wasn't in form, and was pie for the Lookouts, who found all Tribe pitchers easy to hit. Fat remained in charge until the seventh, when he called it a day's work and retreated, letting Hugh Canavan assume the burden. Hughle did well until taken out to sllow Bischoff to bat for him in the eighth. Bill Thweatt brought up the rear and emerged with only one hit having been secured off him. secured off him.

MEYERS HAS OFF DAY.

Gil Meyers, back of the plate for Memphis, had a miserable day, and was one of the biggest factors in the defeat of the Tribe. Gil had an off day, being unable to throw runners out with any consistency, four stolen bases being charged against him. In addition, he missed a foul off Bratchi's bat that he should have captured, and also let a throw to the plate from Pug Griffin in right get away from him that resulted in one run scoring, and puriting another in position to come over. The whole ball club played poorly on the defensive, although they showed the same old offensive strength that has marked every game this year. In the nint the tying run was on second with McLarry up, but Mack's best effort was a fly ball to Bratchi, which ended the game.

The game was a free hitting affair throughout, with Chattanooga hitting the four Chick pitchers for 14 safeties and Memphis bagging an even dozen.
Dixie Carroll had a field day with the stick, geiting four out of five, and getting aboard the sacks on all five times he went to bat. In the seventh, which was Dixie's fourth trip up, he hit a hopper to Maguire at short, and Mack threw wide to first, pulling Anderson off the bag.

Maguire, who joined Chattanooga Friday, was also strong with the willow, bagging four out of five. Manager Nicklin returned from St. Louis Friday with Maguire, where the player was secured.

Every member of the Chicks except Colletherger, Jake the Batbey, Manager McCleakey, Goodbred and the ground-keeper, appeared in the lineup. Four pitchers, two catchers and a pinch-hit-

RUBE KISSES MOYER.

Rube Marshall was so delighted in he ninth when Moyer caught Slaan's oul fly that he went out and planted we kisses upon the slanting brow of

In the final round with the score 7-5 for Chattanooga, the Tribe railied, and scored one run, and had the tyer in second with two out. Carroll singled back of short and took second on a wild pitch. Lewis popped to Demoe and Stoan lifted to Moyer. Griffin then doubled to center, scoring Carroll. Braichl took McLarry's fly to end the game.

and two out, Canavan succeeded Albris with Anderson at bat Hughis three one ball and tossed Andy out at first.

Despite the fact that the Chicks had won seven consecutive games, when they lost Friday, there were several hammer artists who started the anvil ethorus.

It's a shame that this variety of fan can't be taken by the bosom of the trousers and tossed over the back fence.

Dixie Carroll and Polly McLerry came through with a three-bagger each, white Pug Griffin and Ray Blades each col-lected a two-sacker

Bantam Headliners Rounding Into Excellent Condition for Monday Night Eight-Round Bout at Southern A. C.

BY BOB PIGUE.

Pai Moore, of Memphis, and Kid Wolfe, of Cleveland, star bantam-weights, who are to meet in an eight-round glovefest at the Southern Athletic club, will conclude their training with a light workout Sunday afternoon. Moore will work at 2:30 o'clock, while Wolfe will go through his final training stunts at 3 o'clock.

The two boys have been hard at | The two boys have been hard at it all week in initialization of the Monday show, each realizing that it is going to be one of the hardest as well as one of the most important matches in their careers as members of fistiana's colony Moore is anxious to demonstrate that he is Wolfe's master, which would be quite a feather in his cap, for Wolfe enjoys considerable prestige throughout the country by virtue of his giove activities against every bantam in the gainst every bantam in the clean-cut unfarmished victory for ore over Wolfe would make it clean sweep for Pal and victories over every bantam of consequence in the game today.

Wolfe also realizes what it would near to outpoint Moore in their Mon-ay engagement, for he is fully ac-uainted with the fact that Pal is at

day engagement, for he is fully acquainted with the fact that Pal is at present the leading contender for the bantamweight crown now sitting at an angle of 45 degrees upon the dome of Pete Herman. Should Wolfe manage to win the referee's decision over Moore, it would mean that Wolfe would secure many matches for which Moore is already lined up by promoters in the East, West. North and South.

There has never yet been a bever who had had Pal Moore's number, who has been able to decisively outpoint the Memphis flash. On one or two occasions, Moore has been held even, and be it said in fairness and as a matter of record that he has been shaded a few times, but he has not been knocked out or beaten hadly in any of his starts.

Pal went over to London and beat Jimmy Wilde during the inter-allied boxing championship tourney. Wilde is the flyweight champton of the world. Moore met Wilde on a return date, going 20 rounds, with Wilde getting the decision, although London boxing crilles were loud in their praise of Moore's work and many of the sport writers stated that Pal should have received the decision instead of Wilde. The English system of scoring points in a fight burt Moore's channess, and Pal was being constantly penalized by hitting with his open hand, a violation of a rule he didn't know existed until after the fight was over. And Wilde also received many points for "British grit." which consisted of taking hard punches on the Jaw without keeling over.

MUCH AT STAKE.

It means much to both fighters Mon-y night to go out and extend them-ives to the limit, for a victory is ing to be worth many golden sheaves in the months to come. A record crowd is to see the fight, judging from the advance seat sale, as practically all ringsides have already been taken, and many of the reserved and general admission pasteboards are Several excellent. Several excellent preliminaries are be-ng arranged for the show.

DELMONT RETURNS.

Gene Delmont, local lightweight, who has been out on the Pacific coast and down in Texas during the past several months, will return to Memphis Sunday. Gene is coming home for the purpose of meeting several good lighties at the Southern Athletic club, the first of whom will be Frankle Tucker of Springfield, Mo., two weeks from Monday night. Delmont will do his training here during the next two weeks in anticipation of the bout.

Friday night in Fort Worth Gene defeated Freddie Hill in 12 rounds, winning the referee's decision and turning out a neat article of boxing.

When Gene arrives in Memphis Sunday he will not come atone. Since being in Memphis, Delmont has taken unto himself a wife, a fair daughter of Cleveland. O whom himself a during daughter of Cleveland.

day he will not come alone. Since being in Memphis, Delmont has taken unto himself a wife, a fair daughter of Clevel and, O., whom he chose as a life purtner about a week ago. Gene says the life of a bridegroom is the only one, and that he intends to have a honeymoon all his life. Memphis friends have been extending congratulations to Gene ever since learning of the most popular boxers that Memphis ever turned out, and when he meets Tucker he is sure to be greeted by a big outpouring of his friends and fans generally, who always know that when he puts on the gloves they are assured of 100 per cent action in every minute of every round.

CHICKS' ROAD TRIP.

Following the Sunday engagement with the Nashville Vols, the Chicks will hit the long trail southward. Here is their timerary while abroad:

Atlanta, May 3, 4, 5 Birmingham, May 6, 7, 8, Mobile, May 16, 11, 12, New Orleans, May 13, 14, 15, 16.

Then they come home, to meet the Mobile Bears, who are at present giving them the hardest fight for the first-place position.

ing them the hardest fight for the firstplace position.

Harry Collenberger, who covered the shortfield for the Chicks' part of last season and early this year, is going to be retained as utility man for the local club. Celly can play any position on the infield, and Chief McCloskey has decided to retain him.

BLADES TO STAY.

Ray Blades the flashy young short-stop now with the Chicks, is the out-right property of the Memphis club, a deal having been completed that re-tains Blades for the club. This announcement means that the Chicks have their infield problems all settled and nothing more to worry about, for Blades has shown that he has the goods, both as a hitter and fielder.

Now if Chief McCloskey can get two more pitchers to go along with Hugh Canavan, Pat Albris and Dazzy Vance, the Tribe will be all dressed up.

The Chick chieftain is fully aware that the local club must strengthen its pitching staff before the Tribe can hope to get through the year at the head of the field.

The team is hitting the ball hard and with any pitching at all they will have no trouble in keeping out in front, but no trouble in keeping out in frost, but with frazzled hurling that has been exhibited from time to time, the Chicks are going to be hard put on many occasions to get as many runs off opposing pitchers as the opposition will get off the local rifemen.

THE FIRST WHALING.

Friday's loss to Chattanooga was the irst that local fans have seen the hicks turn out since the season started. If Pai Moore heats Kid Wolfe Mon-day night at the S. A. C., he will likely be matched with Cari Tremaine, of Cleveland. Tremaine Friday night stopped Frankie Mason, American fly-weight champion, in the first round of a scheduled 12-round go. If was stated in a local paper Fri-day that if Wolfe beat Moore he would meet Tremaine, but as a matter of fact meet Tremaine, but as a matter of fac Wolfe and Tremaine are in the same stable, both boys being under the di-rection of Jimmy Dunn, and there's not a chance of two boys of the same stable meeting.

Cole Aero-EIGHT BALANCED TO ZERO What frees the Acro-Eight from the usual ravages of time and wear and enables its performance year after year to possess the same uniform efficiency? One of the outstanding requirements of the aeroplane is that it perform consistently, efficiently and without interruption for periods of long duration. By the elimination of friction and wear, alone, is this possible. To obtain this requires the most minute care and attention in the manufacture and assembly of every individual unit and the perfect balance of the mechanism as a whole. Cole engineers have achieved this in the Aero EIGHT. They have balanced it to zero, and thereby have removed every condition which militates against the long life of the mechanism and its ability to maintain its original efficiency after long years of use. Claypool-Jetton Motor Company Memphis, Tenn. CILE MOTOR CAR COMPANY, INDIANAPOLIS, U.S.A. THERE'S A TOUCH OF TOMORROW IN ALL COLE DOES TODAY

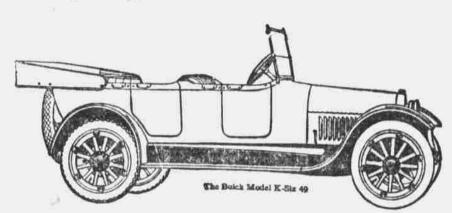

Valve-in-Head Preference

Men of long experience in motor car usage, know and appreciate the wonderful value of Buick Valve-in-Head efficiency.

Today, these men are paying a high tribute to Buick quality and construction, in their selection of this famous motor car to serve their needs in the future.

Buick prides itself in possessing the world's confidence and with such unwavering faith and individual preference of buyers, Buick demand and production are eclipsing all records-so the wisdom of early purchasing for future months delivery by those "who know" is a fore-thought for the prospective buyer who tarries from day to day.
